

Lottomatica selects Nuvei as exclusive payment partner

October 13, 2022

Nuvei's iGaming payment expertise will deliver revenue acceleration for Lottomatica and market-leading player experience to its new platform

Montreal, Oct. 13, 2022 (GLOBE NEWSWIRE) -- Nuvei Corporation ("Nuvei" or the "Company") (Nasdaq: NVEI) (TSX: NVEI), tomorrow's payment platform, announces today that it is exclusively supplying payment technology for Lottomatica, a leading operator offering online sports betting, casino and poker in the regulated Italian iGaming market, as it re-platforms its digital services.

Nuvei is enabling Lottomatica to offer a market-leading payment experience to its players for deposits and withdrawals via Nuvei's integrated cashier technology and local acquiring solutions, including smart transaction routing to minimize costs and boost card acceptance rates. In addition to card payments, Lottomatica players can complete transactions using all the most relevant alternative payment methods players' demand. These alternative payment methods are available to players through the same single integration with Nuvei.

"We're thrilled to be partnering with Nuvei to provide our players with the payments experience we know they demand," said Alessandro Fiumara, Lottomatica Managing Director Betting and Digital Italy. "Payments are fundamental to delivering a superior product in iGaming, which is why they are key to winning and retaining players and maximizing revenue."

Nuvei Chair and CEO Philip Fayer said: "Lottomatica is one of the premier iGaming brands in the regulated Italian gaming market. We're pleased to be offering a complete payments solution to support the growth of another leading European iGaming operator."

"We continue to demonstrate why Nuvei is the leading payments provider for the iGaming industry in Italy, Europe, and the globe. Our fully customizable technology, dedication to superior customer service, and deep knowledge of regulated markets set us apart from the rest of the industry," Fayer added.
