## Nuvei Announces Closing of US\$424,833,000 Initial Public Offering in the United States

*Underwriters exercise over-allotment option in full*

Montréal, October 8, 2021 – Nuvei Corporation (“Nuvei” or the “Company”) (Nasdaq and TSX: NVEI), the global payment technology partner of thriving brands, has announced today the closing of its previously-announced marketed offering of subordinate voting shares in the United States and Canada, representing Nuvei’s initial public offering in the United States (the “Offering”). Nuvei issued a total of 3,450,000 subordinate voting shares of the Company, including 450,000 subordinate voting shares following the exercise in full by the underwriters of their over-allotment option. The subordinate voting shares were offered at a price of US \$123.14 per subordinate voting share, for aggregate gross proceeds to Nuvei of US \$424,833,000.

Nuvei will voluntarily delist its “NVEI.U” US dollar listing on the Toronto Stock Exchange (the “TSX”). It is expected that the delisting will be effective after markets close on or about October 13, 2021. Nuvei’s subordinate voting shares commenced trading in US dollars on Nasdaq Global Select Market and will continue to trade on the TSX in Canadian dollars under the symbol “NVEI” in both instances.

Nuvei expects to use the net proceeds from the Offering primarily to strengthen the Company’s financial position and allow it to pursue its growth strategies.

Morgan, BMO Capital Markets and RBC Capital Markets acted as bookrunners for the Offering and Raymond James Ltd., Canaccord Genuity Corp., Cowen and Company, LLC, Keefe, Bruyette & Woods, A *Stifel Company*, William Blair, National Bank Financial Inc., CIBC Capital Markets and Scotiabank were also acting as underwriters for the Offering.
